

SEE THE POSSIBILITIES UNFOLD 2016

meori®

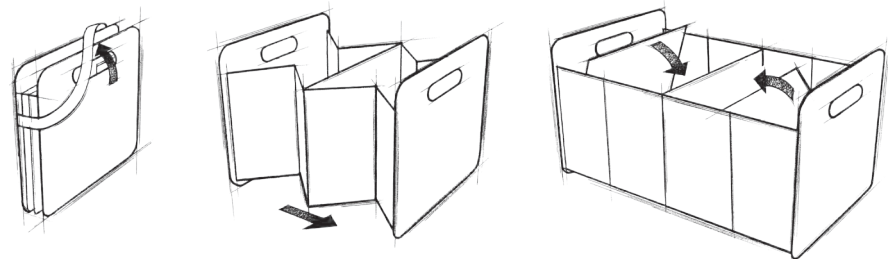

New styles, classic favorites. For our full collection, see page 20.

meori® JUST FITS.

In three simple steps, meori® foldable boxes go from slim stowaways to full-sized carriers. The design is smart, the quality is unparalleled: meori® foldable boxes are made to last with wipe-clean fabric, meticulous seaming and comfortable, reinforced handles. From the car to the store to the beach, they can handle whatever needs handling – and they do it with style.

This year, we're adding two new foldable boxes to our collection: the Classic Medium and the Mini, both in fun new colors and styles. Our Outdoor Box features two fresh new styles, and new accessories include our Shoulder Strap and Carrying Handle, making shopping and moving your stuff around even easier.

meori® CLASSIC BOX SMALL, MEDIUM, AND LARGE.

The original meori® foldable box, sized for big errands, small spaces and everything in between. Organize your home, run errands, and then fold it neatly away with this smart, modern design.

NEW meori® CLASSIC MEDIUM BOX.

The perfect fit for light shopping and smaller spaces, our Classic Medium Box has all the smart features of the Classic Large, with just a little less bulk. It's easy to handle, and handy to keep in your car or pantry.

Seeing stars. Stellar patterns and rich solids brighten the Classic Medium Box, capacity 6.5-gallon (24L).

meori® LETTERS.

Label no more: our Big, Car, Man, The, Fun and Mom boxes make it easy to see what goes where. Now games, hobbies, magazines and more have a happy, stylish home.

A box for everyone. Six bright, unique designs. Letters comes in size large with an 8-gallon (30L) capacity.

meori® KID BOX.

Keep the chaos in check in the most colorful way possible. Our paint-splashed design is both organizer and treasure chest – the perfect home for toys, building blocks, stray crayons and more.

Tidying up is child's play. Available in small and large, 4-gallon (15L) and 8-gallon (30L).

meori® BRUSHED LINES.

With subtle palettes and retro design, these meori® boxes make convenient, decorative additions to most shelving systems. Bamboo Beige, Thyme Mauve, Stone Grey and Lava Black backgrounds feature slim lines reminiscent of classic 1950s plaids.

Smart style. These 4-gallon (15L) boxes are designed to fit standard shelving units.

NEW meori® FOLDABLE BOX MINI.

This tiny version of our Classic Box adds a colorful pop to your desktop or countertop. They're perfectly sized to organize those things that are tough to organize – such as pens, hair ties, teas, craft supplies – and they fold up and stow away in a snap.

meori® OUTDOOR BOX.

Camping, sailing, picnics – our Outdoor Box is the ideal companion for adventure seekers. Ripstop fabric is extra-tough and water-repellent, large grommets are perfect for tying up on a boat, truck bed, or R.V., and durable snaps allow you to use it as a single- or double-pocket box. This year, we introduce two new hues: blue camo and khaki camo.

Carabiners hook our Shoulder Strap securely into the Outdoor Box grommets

Four strong metal grommets let you securely fasten the box in a boat or a car.

Water-repellent, weatherproof, easy-to-clean, extra-durable material makes the Outdoor Box a perfect partner for the great outdoors.

Stable snaps let you close both compartments completely, so you can use the Outdoor Box as a 4-gallon (15L) or an 8-gallon (30L) box.

meori® OFFICE BOX.

Introducing your new office, to-go. Between downtown, home office, business trips, cross-town meetings—work is more mobile than ever. Our Office Box features rails for hanging files, so you can quickly pick up your work and take it on the road.

In working order. The Office Box features practical rails for hanging files, two inside mesh pockets, and a rewritable label.

meori® ACCESSORIES.

Handy accessories include covers, picnicker, cooler, bottle insert, shoulder strap and carrying handle. Keep your things protected and outfit your box for grocery shopping, roadtrips, or picnics.

Hold steady. The Carrying Handle fits any box, holding it right in the crook of your arm so that both hands are free. The Shoulder Strap is adjustable, with carabiners that hook into the Outdoor Box grommets. Both are easy to put on and remove.

Got you covered. This must-have cover pulls easily over our boxes to protect your things from wind, rain, or spills. Available for small, medium, office, and large boxes.

Cool on one side, clever on the other. Hold silverware, plates and more with the Picnicker, keep fruits and veggies fresh in the Cooler.

Keep bottles from breaking. The Bottle Insert has padded pockets to protect your bottles, then folds flat for easy storage.

WHATEVER YOUR SPACE, meori® JUST FITS.
